

# Winchester Rescue Mission

## Services

In addition to offering men a place to stay and a warm bed, Winchester Rescue Mission in Frederick County, Virginia, offers a “Changed Life” ministry.

Founded in “old town” Winchester in 1975, we’re here to offer men a place to get warm and sober and to learn more about how God’s Word can help them change their lives for the better.

We offer a place to stay for transients or the homeless for up to 16 nights a month, along with two warm meals, counseling services and Bible study. Our New Life program is designed to help offer a Biblically based view on the world, character building and a practical approach to difficulties they may encounter in life.
